

TRANSPORTATION INFORMATION

Students traveling to Rose-Hulman may choose to arrive by air, bus or car. Please note that air service is available through Indianapolis International Airport (one hour from campus). Students arriving by plane should plan to arrive on Saturday afternoon or evening, the day before the start of camp. Upon arrival, students will meet one of our Project SELECT counselors in the baggage claim area. Rose-Hulman provides shuttle service to Project SELECT students from the airport and bus station to campus. We will schedule shuttles based on arrival times of students for each session. More information about arriving at Project SELECT will be included in the final packet, which is sent two weeks prior to your arrival. We will have an area in the food court for students to wait with our counselors between shuttles. Students may wish to have money to purchase food from the airport while they wait.

NOTE: It is extremely important that you complete the transportation information/authorization form, even if you plan to arrive by car. This electronic form will be sent to parents once our admissions department has sent a notification of admission, and the child has accepted admission to the camp on the student portal.

Shuttles to the airport will depart at 8:00 am EST on Saturday, the final day of Project SELECT.

FAQS REGARDING TRANSPORTATION

When should I make airline reservations for my child to attend camp? **DO NOT MAKE AIRLINE RESERVATIONS UNTIL YOUR CHILD HAS BEEN ADMITTED AND THE DEPOSIT HAS BEEN SUBMITTED TO PROJECT SELECT.**

What time should I schedule my child's flight to camp? Flight times should be arranged to arrive at Indianapolis Airport on
